Send registration to The Altek Media Group
231 E. Alessandro #A-363, Riverside, CA 92508
Phone: 951.781.8624 FAX: 951.781.8625

How to Register

By Fax:

(951) 781-8625

By Mail:

The Altek Media Group
231 E. Alessandro #A-363
Riverside, CA 92508

Space is limited to 40 districts—one person per school district. Priority is given to school districts that have not attended previous training workshops. Spaces fill quickly, so we recommend that you register early. If the workshop has reached its capacity, we will place your name on a waiting list.

Cost

The fee is \$20. The fee includes course materials, continental breakfast and a box lunch.

Cancellation Policy

If you enroll in a workshop and cannot attend, you may send a substitute. If you are unable to do so, your fee will be refunded if your slot is filled from the waiting list. If ALTEK is not able to fill the slot, your fee will not be refunded. ALTEK reserves the right to cancel a workshop if fewer than 25 participants enroll. If this occurs, you will be given the choice of a full refund or attending another workshop in a different location should slots be available.

Course Credit

The Department of Pesticide Regulation has approved six hours of pest control advisor continuing education credit for this workshop.

About the Workshops

These one-day workshops will feature:

- A review of integrated pest management (IPM) principles
- Hands-on demonstrations and tours of major pest problems around school buildings and grounds:

LANDSCAPE IPM—Weeds in landscape and turf, yellowjackets, burrowing rodents

STRUCTURAL IPM—Ants, cockroaches, rats and mice; food service and storage area pests

Who Should Attend

IPM coordinators; other district staff responsible for pest management such as administrators, maintenance and operations directors, facilities directors, groundskeepers, and custodians.

Workshop Dates and Locations

The same workshop will be offered on four dates at locations throughout the state. Choose the one that works best for you!

- **April 10, 2006 (Monday)**
Fresno
Roosevelt High School
- **June 16, 2006 (Friday)**
Cloverdale
Cloverdale High School
- **July 11, 2006 (Tuesday)**
Pacific Grove
Pacific Grove High School

About the Presenters

Landscape IPM—Michael Baefsky is a landscape IPM consultant. He has been researching, teaching and advising in this field since 1975. Michael's work focuses on developing and carrying out ecologically sound solutions to landscape problems.

Structural IPM—Ingrid Carmean has been involved in research, agricultural consulting, and structural IPM since 1977. She has worked with a large school district assessing pest management practices and teaching pest prevention, IPM, and effective pesticide use for more than five years.

Agenda

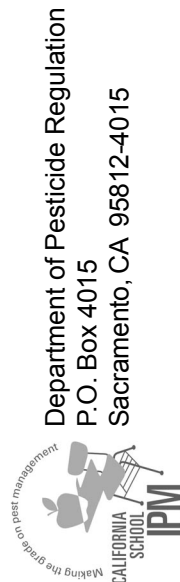

7:45-8:25 a.m. Registration
8:25-8:35 a.m. Welcome
8:35-8:50 a.m. Introductory comments
